The Teacher Creativity Fellowship Program is one of the Endowment's longest standing programs and began as a way to help Indiana public school teachers renew their commitment to teaching. Since it began in 1987, the program has expanded its eligibility to teachers in private and parochial schools, to principals and assistant principals, and to school counselors and media specialists.

The Title III Program is a United States federal grant program to improve education. It began as part of the Higher Education Act of 1965, which sought to provide support to strengthen various aspects of schools through a formula grant program to accredited, legally authorized Historically Black Colleges and Universities (HBCUs).

On October 26-28, 2011, the P-20 Council hosted three, regional, one-day workshops on college and career readiness. These workshops allowed participants to develop a shared understanding of college and career readiness and build relationships between secondary and postsecondary leaders in an effort to improve coordination and alignment to increase student success.
