Powers and Roots - McGraw Hill Education

We found the roots to be extensive and pervasive. They permeate society, but are intertwined and particularly virulent in certain neighbourhoods, and made worse everywhere when they include racism. Our core finding can be simply stated: neither the breadth nor the depth of the roots is taken into account in shaping public policy in Ontario.

Strengthening linkages between small actors and buyers in

Against this background the project 'Strengthening linkages between small actors and buyers in the Roots and Tubers sector in Africa' will be implemented. Its aim is to improve the livelihoods of small producers engaged in the roots and tubers value
