Thesis. Chandler substantiated his Structure follows Strategy thesis based on four case studies of American conglomerates that dominated their industry from the 1920s onward. Chandler described how the chemical company Du Pont, the automobile manufacturer General Motors, the energy company Standard Oil of New Jersey and the retailer Sears Roebuck managed a growth and diversification strategy ...

Structure follows strategy - Wikipedia

Text structure refers to how the information within a written text is organized. This strategy helps students understand that a text might present a main idea and details; a cause and then its effects; and/or different views of a topic. Teaching students to recognize common text structures can help ...
