In developing the workbook it became apparent that students would need a clear understanding of some of the critical information. For that reason, the material found in the gray boxes is translated into the native languages (Spanish, Vietnamese, Chinese) of the learners to facilitate an accurate understanding of this crucial information.

### **Talking with the Police Student Workbook**

Student Workbook The term "marking" as used in the HMR refers to placing the required information on the outer package containing the hazardous materials. This includes a proper shipping name, identification number with the appropriate prefix, specifications or UN markings, plus any other required information, instructions and/or cautions.
