subordinated development transnational capital pdf

It is widely accepted [by whom?] that the CIA has both directly engaged in the torture of detainees at CIA-run black sites and has sent detainees to be tortured by friendly governments in a manner contravening both US and international law.. The existence of black sites was first published by The Washington Post in November 2005 following reports by human rights NGOs.

Human rights violations by the CIA - Wikipedia

The International Finance Corporation (IFC) is an international financial institution that offers investment, advisory, and asset-management services to encourage private-sector development in developing countries. The IFC is a member of the World Bank Group and is headquartered in Washington, D.C.. It was established in 1956, as the private-sector arm of the World Bank Group, to advance ...
