tales from american history pdf

The Leatherstocking Tales is a series of five novels by American writer James Fenimore Cooper, set in the eighteenth century era of development in the primarily ...

Leatherstocking Tales - Wikipedia

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curricula and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...
